

**Location:** Oakville, Ontario  
**Position:** Senior Regulatory Consultant

### Position: Senior Regulatory Consultant

- The Candidate will be primarily responsible for preparation of human and veterinary new drug submissions. Actual experience in preparation of these submissions is a pre-requisite. Experience in preparation of submissions for biologics is an asset.
- The Candidate may also be responsible for the preparation and maintenance of Drug and Medical Device Establishment Licenses, NHP Site Licenses, and NCD Licenses. The ideal candidate will have some experience in this area or knowledge of the requirements.
- The Candidate may have alternate responsibilities for preparation of submissions for OTC Drugs, Medical Devices, and other Submissions. Any applicable or additional submission experience should be cited.
- The Candidate will be responsible for liaising with the client to obtain the required data, preparing and filing the submissions, and liaising with the Health Canada to follow through on product approvals.

- Competencies:**
- Can work independently and spearhead projects with minimal direction and under tight deadlines.
  - Must have excellent verbal and written communication skills.
  - Established Contacts at Health Canada are an asset.
  - Must be capable of multi-tasking and have strong project management skills

- Requirements**
- Must have an undergraduate University degree with a major in the life sciences.
  - Must have Industry Experience in filing Regulatory Submissions. Potential Candidates will have at least 10-15 years of experience in Canadian Regulatory Affairs.

- Remuneration**
- Remuneration is competitive and will be based on qualifications and experience.
  - Please state salary expectations when applying

### How to Apply:

- Résumés will **ONLY** be accepted via on-line submission. Go to [www.dsaconsultants.com](http://www.dsaconsultants.com) and select ABOUT DSA and then JOIN OUR TEAM or follow this link: <http://dsaconsultants.com/dsa-careers.aspx>
- Please do NOT email or mail your résumés directly to the company.
- Regrettably, we cannot accept phone queries regarding these positions.
- We thank all applicants for their interest in this position, however, only those being considered for an interview will be contacted. Applicants who have previously applied for this position are invited to reapply with an updated résumé.
